## CATERING IN OUR VENUE

Our spacious, professional standard kitchen is equipped to support a variety of catered events onsite - whether that's small canapés and snacks, or a five-course tasting menu. We've been hugely popular with supper clubs and private dining events due to the convenience and practicality of our kitchen.

You are welcome to bring external caterers and suppliers to support your event, but we pride ourselves on partnering with some amazing companies who we've had great experiences with. Their expertise and knowledge of our venue are sure to bring success to your event.
